Drug Testing Administration Acknowledgement/Consent Form

The Hall County Board of Education has authorized mandatory random drug test for all student-athletes who participate in Georgia High School Association (GHSA) Inter-scholastic athletics and all students who obtain a campus parking permit.

1. The student must present to the school administration this signed consent form, which authorizes parents or guardians, administrative officials, and the head coach. (Note: A signed consent authorizes participation in all school-sponsored extracurricular and interscholastic activities. Parents and student do not have the option of not participating in the drug-screen program.)
2. Random testing will take place at any time during the year with student chosen through lottery, random selection. Testing consists of providing a urine sample to those representatives of the firm administering the test. School personnel will supervise but will not administer the test. Privacy will be protected. Specimens will be processed for identity and secured to ensure against tampering. These results will be reported to the school through the proper chain of command. In case of a positive result, the parent or guardian will be notified.

Testing will be done by the Northeast Georgia Forensic/Toxicology Lab under the supervision of the Toxicology Program Manager.

This acknowledgement of administration and consent to allow participation in the random drug-testing program shall remain in effect until revoked in writing.
