## **What is Title I?**

Johnson High School is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with all parents and family members a written parent and family engagement policy.

# School Plan for Shared Student Achievement

## **What is it?**

This is a plan that describes how Johnson High School will provide opportunities to improve family engagement to support student learning. Johnson High values the contributions and involvement of parents and family members in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Johnson will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

## **How is it revised?**

Johnson High School invites all parents to attend an annual parent and family engagement input meeting in the spring to review and revise this parent and family engagement policy, as well as the school/district consolidated needs assessment, school/district improvement plans, school- parent compact, and the parent and family engagement budget. Additionally, our school welcomes parent input and comments at any time during the school year regarding this plan. All parent feedback received during the school year will be used to revise the plan for the next school year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey online and make paper copies available for their suggestions on the plan and the use of funds for family engagement. Parent and family members can also give feedback during several parent meetings and activities during the school year.

## **Who is it for?**

All students participating in the Title I school and their families are encouraged and invited to participate fully in the opportunities described in this plan. Johnson High School will provide full opportunity for the participation of parents with limited English, parents with disabilities, and parents of migratory children.

## **Where is it available?**

At the beginning of the school year, after revision, the plan is posted on the school's website, presented at the Annual Title I meeting, emailed to parents and families using Infinite Campus, and paper copies are provided in the school's front office.
